THE SPEAKERS

ANTHONY D. PALACIOS

Anthony D. Palacios is a nationally renowned DRE & SFST expert based in Atlanta, GA. Anthony is a former SFST State Coordinator for the State of Georgia, as well as a former SFST & DRE Staff Instructor for the Georgia Police Academy. Anthony has trained over 5,000 law enforcement officers and attorneys from across the country in the NHTSA Impaired Driving training curriculums and has been a guest speaker at over 30 national & state impaired driving conferences all across the country. Anthony has consulted in over 1600 impaired driving related criminal and civil cases in 36 states and has contributed to several national and state DWI & DRE publications.

JAN SEMENOFF

Jan Semenoff is the principal editor of Counterpoint and is well-known across Canada and the US as an experienced Forensic Criminalist. He has testified as an expert in breath alcohol testing in more than 150 jury trials, and has presented at more than 60 state, national and international conferences. He has taught science to professionals since 1986. He officially founded Industrial Training & Design Ltd. in 1995. Jan studied social and physical sciences and educational theory at the University of Saskatchewan. Jan served as a Senior Constable and Violent Crimes Analyst for 18 years and is retired and began teaching full time with Industrial Training & Design Ltd. Because of his policing background and extensive experience with breath alcohol testing, Jan became involved with legal and forensic professionals who looked to him for explanations of the science behind the tests. He has collaborated with lawyers, scientists, investigators and toxicologists across Canada and in more than one third of the United States. His ability to make complex scientific and forensic concepts understandable has made him a sought-after speaker in North America.

STEVEN EPSTEIN, ESQ

Steven Epstein is a founding partner at Barket, Epstein and Kearon, LLP and is the partner in charge of the firm's DWI/Vehicular Crimes group. Mr. Epstein has more than 25 years of experience in the field of criminal defense. Mr. Epstein is widely recognized as one of the foremost DWI attorneys in the country, specializing in representing clients accused of DWI, vehicular homicides and other criminal offenses. He is a nationally recognized and much sought after lecturer at continuing legal education seminars for other attorneys and is relied upon as the principal instructor for the Legal Aid Society of New York City in the area of DWI defense. Mr. Epstein proudly serves as a faculty member of the distinguished National College for DUI Defense.

INTOX 9000 AND
SFST SEMINAR
Atlanta, Georgia

JUNE 28-29, 2018

SFST TRAINING AND TRIAL TECHNIQUES

- Concepts & Principals of the Standardized Field Sobriety Tests – the newest revisions to the standardized procedures, clues, and scoring criterion for the Horizontal Gaze Nystagmus Test, Walk and Turn Test, and One Leg Stand Test according to the NHTSA training curriculum.
- NHTSA's "Robustness of the HGN Test" – a breakdown of the data concerning false positives when the HGN test is administered incorrectly.
- Common errors and issues during the administration of the SFSTs – a breakdown of the most common errors and issues of the SFSTs and the impact on the results.
- Alcohol workshop & practical exercise – attendees will administer, interpret, and score the HGN test, Walk and Turn test, and One Leg Stand test on volunteers with BrACs ranging from 0.00 – 0.15 grams. After the practical exercise, instructors will inform the attendees of the volunteer's BrAC readings.
- Trial techniques - examining the SFST officer

INTOXILYZER 9000 AND TRIAL TECHNIQUES

- Overview of the breath test machine
- Performance characteristics
- Issues with specificity towards ethanol
- Issues with Radio Frequency Interference
- Issues with Residual Alcohol Detection System and fresh mouth alcohol
- Operational Considerations
- Practical take-aways for lawyers
- Trial techniques - examining the breath test operator
